What is Celebrate Recovery?

The purpose of Celebrate Recovery is... to know God’s healing power and learn how to live our lives through the “8 Principles based on the Be-attitudes.” By choosing to work these steps are lives are changed: we experience: freedom from addictive, compulsive and dysfunctional behaviors; we have better relationships with God and others; we achieve greater serenity and joy in our lives.

Who needs it?

- Anyone can participate in Celebrate Recovery:
- Anyone ready to start a new life · The guilty, sad, or compulsive · The churched and the un-churched
 - Men and women · The addicted and their families · Anyone in need of recovery

How CR Works?

This tried and proven recovery system uses the traditional methods of small groups, sponsors, accountability partners, and special occasions to build recovery for those struggling with addictive habits, codependency, childhood hurts, and other life experiences that affect our peace. In Celebrate Recovery groups, you will pray, share, and take the steps necessary to experience a better life.
