CONNECT

Here @ CVC we believe that church is much more than what happens in our Sunday morning service. From the earliest days of Christianity, people have gathered together for both larger celebrations and in smaller settings (Acts 2:46). God designed us for relationships that are nurtured best when experienced in small groups.

Our various small groups meet regularly to worship, learn, pray, comfort, encourage and counsel one another. They are a place to know and be known and to heal and be healed.

We encourage you to get connected in one of our groups.

RESTARTING COURSE
